Welcome to The Dirty Wall

Character:

All climbs are on the west side of the the canyon.

That means, a.m. sun with p.m. shade.

Rifle easy to moderate climbing.

This is a newer Rifle area so **BEWARE** of loose rock!

When in *doubt* wear a **HELMET!!**

Conditions:

Winter: Cold, with seeping.

Spring: Seeps, but will dry out with sun.

Summer: Sun until around 1p.m..

Fall: Like Summer, but not as hot.

Getting there:

Drive into RMP and locate the Kopers / Ice Caves trail near The Wasteland parking lot just past the small bridge on the left and park here **OR** continue for .3 mile to the Feline parking lot on the left at the bend in the road.

There is room for about 8 cars here.

Please park head in only and as close to another vehicle as you can.

There are **two** access points to this area

#1 • Feline parking lot. Find the trail by the tree, hike to the stream and walk across the wooden planked bridge. Hike downstream on this well defined trail past Rachel's route. Walk the stoned trail for several seconds and find the wall above the trail on the right.

#2• Kopers / Ice caves trail by the small bridge. Take this well defined trail past the Potato routes, the Funny Face routes and the Chud routes. Just after the Chud routes find the vertical wall on the left just above the trail

The Koper's trail runs right through this area and is a very popular hike with tourist and local residents.

**Keep your belongings away from the wall and off the trail.*

**Keep your pet under control, preferably on a leash. (RMP rule)*

**Yield to hikers on the trail.*

**Abstain from foul language.*

**Pick up all trash.*

Thanks!
